Grade Election Deadlines

The deadline for graduate students to elect P/U grading is today at 11:59 p.m. The deadline for undergraduate students to make H/P/N grade elections is December 17 at 11:59 p.m. Details: provost.uncc.edu/pandemic

Fall 2020 Full Term & Second Half Term Final Grades

Final grades for fall 2020 and the second half term can be submitted through My UNC Charlotte starting on December 17. Grading will be available until 8:00 a.m. on January 5. For each student, select the appropriate grade from the drop-down menu. The appropriate grades are:

**Standard**
Undergraduate - A, B, C, D, F* or I**
Graduate - A, B, C, U* or I**
*When submitting an F or U grade, the last participation date is required.
**When submitting a grade of I, please make sure to confirm the Incomplete Extension Date by clicking submit on the confirmation page.

**Pass/No Credit**
Undergraduate – H (Passing with an A, B or C grade) or P (Passing with a D grade) or N (No Credit) or I (Incomplete)
Graduate – P (Pass) or U (Unsatisfactory)

**Audit**
AU (Audit) or NR (No Record)

- UNC Charlotte will allow undergraduate students to elect Pass/No Credit (H/P/N) for up to three undergraduate courses for the entire 2020-2021 academic year, no more than two per term. Students have until 11:59 p.m. on December 16 to make these elections.
- The drop down options for available grades have automatically adjusted if the student has made a pass/no credit election.
- Students who have officially withdrawn from a course and received a grade of W or WE do not need a grade assigned.
If a student has never attended the course (and they do not have a grade of W or WE), then enter a grade of F, U, or N from the grade drop-down menu. Additionally, please provide the date for your first day of class in Last Attend Date, along with a zero (0) in the Attend Hours.

If the student attended but stopped participating during the term, enter a grade of F, U, or N and enter the last participatory date for the student in Last Attend Date.

If the student attended the entire term and earned an F, U, or N grade, please enter a grade of F, U, or N and the last day of class (not exam) in Last Attend Date.

Chancellor Gaber and University Communications launched a new daily email called "Niner Insider" on November 30. While University Communications manages and approves content for the daily email, the Office of Academic Affairs will help facilitate content submissions from units within the Division of Academic Affairs. This is a great communication tool to get the word out about programs, events, nomination processes, recruitment, awards and recognition, and other division news of broader University interest. Niner Insider is archived daily at Inside UNC Charlotte.

To submit an item for the Niner Insider:

- Email your content submissions to academicaffairs@uncc.edu by Fridays at 11:00 am (just like the AA News Digest) for the following week's Niner Insider emails. If you have time-sensitive material, reach out directly to Aimee Hawkins, Director of Communications for the Division of Academic Affairs.

- Be brief and include a link. All Niner Insider content must link to a webpage (such as your departmental website, a Campus Events event page, or Inside UNC Charlotte).

- Events published on the Campus Events web calendar may be pulled automatically, per UComm's discretion.

Office of OneIT Updates

Respondus Monitor Tips for Finals
Faculty: During finals, the number of students using Respondus sharply increases. While Respondus has reported that they can handle increased activity, if many students attempt to start a quiz using Respondus Monitor simultaneously, they could experience a delay of up to 300 seconds. CTL recommends faculty plan exams accordingly with this in mind. Please remind your students to test Respondus with their device before finals. Students can check the Respondus requirements and take this short quiz to be sure their device is ready.

IT Service Desk announces hours for winter break
The IT Service Desk has published hours to reflect limited IT support hours before grades are due on Tuesday, January 5, 2021, through the first day of classes.

Adobe Flash to be uninstalled from all devices, servers
By year's end, Adobe will neither support nor secure Flash-based apps. On Wednesday, Jan. 6, 2021, OneIT will uninstall Adobe Flash Player from University devices and servers to maintain best security practices.
The Graduate School will conduct an information session December 17 at 2:00 p.m. for University employees who hold a baccalaureate degree and wish to pursue their graduate education. Enrollment counselors will explain the easy application process, answer program questions and distribute HR information for the tuition waiver and free textbook rental programs. For more information and to reserve your seat, please register.

Spring 2021 Virtual On-Campus Job Fair

UNC Charlotte's first Virtual On-Campus Job Fair registration is live! This event provides departments with an excellent opportunity to recruit students for on-campus positions, and partake in a virtual fair to interview interested candidates before they return to campus. This will allow a quicker time frame to select a student for your position and begin the paperwork process. An email will go out to all campus supervisors with additional information. If you have any questions, please email Michelle Wann.

Campus Employer Registration Details:
Thursday, January 14, 11:00 AM - 2:00 PM
Location: Virtual Career Fair Platform
Registration: Log into your Hire-A-Niner account, go to Events, select Career Fairs, locate On-campus Job Fair 2021, and select Register for Event.
